

79. Samoa song

(langzaam)

Goodbye dear Samoa

We are now to leave you

The days in your harbour

We'll never forget

The times on thie ocean

Remember the whole crew

The days on Samoa were ever the best

Refrein:

Oh Samoa in the Suthern sea

Oh-la-o-a-o-a-he, Samoa

Stars of Islands we have seen your beam

Oh Samoa o-a-hé

We will go the high road

We will go the low road

The bad times and good times

Will cæme and will go

And when I'll below down

I'll look for a new boat

To go to Samoa, just I love you so

Refrein:

Oh Samoa in the Suthern sea

Oh-la-o-a-o-a-he, Samoa

Stars of Islands we have seen your beam

Oh Samoa o-a-hé!
